Insurance Products

Freight Logistics

Tokio Marine Kiln has developed insurance products to respond to the complex legal risks faced by organisations involved in the transport and shipping industries. Our focus is on national and international forwarders and logistics and multimodal transport operators.

What we cover

Our underwriters are market leaders in offering liability insurance to the marine, transport and logistics sectors through our specialist marine liability team.

We have a maximum line size of USD25m

We can offer liability coverage on many types of logistics operations including:

- Freight forwarders and logistics operators
- Ports and terminals insurance
- Transport operators
- Warehousing and distribution companies
- Ships agents and vessel charterers

We also cover physical loss or damage for:

- Containers and transport equipment
- Terminal handling equipment

This product suits companies involved in the carriage, handling or storage of goods for third parties such as:

- Hauliers
- Couriers
- Freight forwarders
- Warehouse-keepers
- Customs agents and similar agencies

Why choose Tokio Marine Kiln?

Our underwriting team is market leading both in London and internationally for comprehensive solutions to challenges of cargo transportation and storage.

- Flexible underwriting and pricing
- Class leading in-house claims team
- Worldwide network of claims settling agents
- Protection by a company rated A+ for financial strength by Standard and Poor's
- Worldwide cover (excluding countries with restrictive legislation or regulations or sanctioned countries)
- Bespoke product providing cover for goods in transit by ocean, road, rail and air
