## Insurance Products

# Individual and Group Personal Accident

Group Personal Accident and sickness insurance programmes can be tailored for small or large companies, affinity groups and other trade or occupational associations. This can be bought either to protect a company's profit by insuring key business producers, or as a contract enhancement to encourage the recruitment and retention of the best staff.

From large groups of employees in the world's financial centres to miners in Australia, our Individual and Group Personal Accident insurance provides protection for people in all environments. In a world where people mean business, we provide targeted coverage to secure the human assets involved in large mergers and acquisitions as well as key people who drive businesses forward.

### What we cover
