Intellectual Property Combined Cover Policy Highlights

The recognition of intellectual property (IP) rights as highly valuable assets has increased significantly in recent years. This is clear from the growth in the number of patents and trademarks being filed and the level of litigation undertaken to protect the commercial advantage they provide.

Tokio Marine Kiln's IP insurance solutions are designed to protect an enterprise from the substantial financial risks arising from an IP dispute. TMK's IP Combined Cover is available through a clear and streamlined policy form. Our cover is targeted towards SMEs (Revenue < CAD50m) with policy limits up to CAD25m. We can provide coverage for all types of IP including, but not limited to; Patents, Trade Marks, Trade Secrets, Designs, Domain Names and Copyright.
