

TOKIO MARINE
KILN

Cyber Ctrl PD+

Tokio Marine Kiln provides insurance cover for physical damage to property and the ensuing business interruption that may arise from a cyber attack.

Who is it for?

Cyber Ctrl PD+ is aimed at any client that uses computer systems to control physical processes. Examples include:

- Power, utility and industrial companies reliant upon SCADA systems;
- Manufacturers operating distributed control systems;
- Companies using building automation systems in their office environment

What we cover

Cyber Ctrl PD+ provides a full suite of coverages:

First party costs:

- Physical damage and ensuing business interruption
- Incident response costs
- Digital asset destruction
- Non-damage business interruption
- Cyber extortion
- Reputational harm

Third party liability:

- Privacy liability
- Regulatory defence and penalties
- Multimedia liability

Our maximum line size is USD 25 million.

Countering the threat

Cyber Ctrl PD+ offers the following elements to counter the threat of a cyber attack:

Prevention

Complimentary access to XCyber Threat Intelligence services. With an aggregate 200+ years of cyber experience in the British Government, the team at XCyber have advised numerous law enforcement, intelligence and security services across the globe on cyber security strategies, including work in hostile environments.

Response

Access to a 24/7 breach response hotline and cover for the costs to engage experts immediately following an attack, including:

- A dedicated breach coach to help coordinate the response to an incident;
- IT forensics to determine the cause, scope and extent of the attack and mitigate ongoing harm;
- Legal services to determine any action necessary to comply with privacy and cyber security regulations.

Recovery

Affirmative cover for the cost to repair or replace property that is damaged as a result of a cyber attack as well as the ensuing business interruption resulting from the physical damage.

Insurance Products Cyber Ctrl PD+

Why choose TMK Cyber Ctrl PD+?

- Cyber Ctrl PD+ provides affirmative cover for physical damage and ensuing business interruption arising from a cyber attack, including 'Cyber Acts' excluded under the LMA 5400 Property Cyber and Data Endorsement
- Cyber Ctrl PD+ provides a full suite of coverages but is modular, allowing clients to tailor the product to their specific requirements
- On completion of an onboarding call with the TMK Claims Team, TMK can offer nil deductible for legal services rendered within the first 72 hours of a cyber security incident.

Why choose TMK?

- TMK has been providing specialist cyber insurance cover for over 15 years
- TMK has paid over USD100 million in cyber claims
- The TMK claims department has received an 'outstanding' service quality marquee from Gracechurch Consulting for the past four years running.

About TMK

Tokio Marine Kiln is a leading international insurer with a reputation for underwriting excellence, great people and innovative products. As part of one of the largest insurance groups in the world, our underwriters are empowered to assess each individual risk, to make on-the-spot decisions and to find the right solutions for our clients' needs.

The ability to settle valid claims quickly and fairly is central to our business philosophy, and our claims adjusters are empowered to exercise their professional judgement to deliver an exceptional customer service.
