Equine Insurance

Every horse owner knows that dedication and patience are required to cope with the inevitable highs and lows of their sport. Equine insurance can help alleviate the significant financial blows that disrupt their enjoyment and success.

Tokio Marine Kiln's Equine division provides specialist coverage for equestrian risks worldwide, from international sports horses to amateur and pleasure horses, in addition to insurance solutions for all bloodstock risks on a global basis.

What we cover

Tokio Marine Kiln's equestrian products include:

- All risks mortality
- Vets' fees and major medical coverage
- Loss of use (incapacity and infertility)
- Transit risk
- Tack and equipment
- Personal accident
- Equine related third party liability
- Stay-behind insurance

Tokio Marine Kiln's bloodstock products include:

- All risks mortality
- Stallion permanent total infertility
- Transit risk
- Surgical costs
- Frustration of import and export
- Stallion loss of income
- Congenital first season infertility

Why choose Tokio Marine Kiln?

- Our underwriters are empowered to make on-the-spot decisions
- We cover a wide range of equine risk
- We put our clients' needs first by assessing each risk individually and tailor-making solutions
- We offer global coverage for sports, leisure, breeding, showing and race horses
- We have an industry-respected claims team who handle claims equitably and efficiently
- Access to some of the world's pre-eminent veterinary consultants

About Tokio Marine Kiln

Tokio Marine Kiln is a leading international insurer with a reputation for underwriting excellence, great people and innovative products. As part of one of the largest insurance groups in the world, our underwriters are empowered to assess each individual risk, to make on-the-spot decisions and to find the right solutions for our clients' needs.

The ability to settle valid claims quickly and fairly in a human way is central to our business philosophy, and our adjusters are empowered to exercise their professional judgement to deliver an exceptional customer service.
