Specialist Personal Accident

A dangerous occupation is one where the risk of serious injury or death is constant, and the causes are as varied as the job itself. Responding to the demand for personal accident cover from high risk groups and individuals working in some of the most challenging parts of the world requires a level of technical expertise that is only found within a specialist underwriting team.

Our Specialist Personal Accident insurance protects people in all environments. From military personnel in war zones to humanitarian aid workers and landmine de-commissioners in post-conflict areas. From a pilot flying a large commercial aircraft to a helicopter passenger travelling to a North Sea oil rig. From office workers in the world's major financial hubs to shipping vessel crews of in the Far East; the insurance we provide keeps the world moving.
