

Insurance Products

Unmanned Aerial Systems

Our Unmanned Aerial System (UAS) insurance has been tailored to provide comprehensive cover to business users and/or commercial operators in this sector. We have carefully adapted this cover to cater for the changing risk profile and developing regulatory requirements that apply to UAS operators.

What we cover

Physical loss or damage to UAS

- Inclusive of detachable/non-detachable payloads
- Applicable whilst in flight, on the ground or in transit and is inclusive of theft
- Limits up to USD1m offered for any one hull sum insured

Physical loss or damage to UAS spares

- Inclusive of ground control stations
- Applicable if the loss relates to your property or the property of others for which you are responsible
- Applicable whilst on the ground or in transit and inclusive of theft
- Limits up to USD1m offered for the combined spares sum insured

Third party liability

- Inclusive of war and terrorism
- Coverage for compensatory damages for bodily injury and/or property damage to third parties
- Coverage applies to any location that a customer may use in connection with their operations
- Limits up to USD200m offered
- Legal costs and fees are included within the policy limit

Additional enhancements

- Invasion of privacy
- Noise liability
- Operators indemnity
- Operators liability
- Cyber – loss of digital assets
- Malicious damage to the UAS and/or UAS spares

Additional coverages available subject to agreement

- Cargo legal liability
- Alternative hire costs
- Chemical legal liability

Line Size

Our maximum combined line size is USD200m.
