

TOKIO MARINE
KILN

Intellectual Property Combined Cover Policy Highlights

The recognition of intellectual property (IP) rights as highly valuable assets has increased significantly in recent years. This is clear from the growth in the number of patents and trademarks being filed and the level of litigation undertaken to protect the commercial advantage they provide.

Tokio Marine Kiln's (TMK) IP insurance solutions are designed to protect an enterprise from the substantial financial risks arising from an IP dispute. TMK's IP Defence is available through a clear and streamlined policy form. Our cover is targeted towards all entities from SME to Large Commercial, with policy limits up to USD25m. We can provide coverage for all types of IP including, but not limited to; Patents, Trade Marks, Trade Secrets, Designs, Domain Names and Copyright.

Infringement Liability

Situation

A third party alleges that your organization is infringing Intellectual Property rights held by the third party.

Coverage

Legal fees and Expenses and resulting liability for damages and settlements.

Suitable for

All organizations.

Indemnified Party Infringement Liability

Situation

A third party asserts that your customer is infringing Intellectual Property rights granted to the third party, via the use, supply, manufacture, sale or distribution of your products.

Coverage

Legal fees and Expenses and resulting liability for damages and settlements.

Suitable for

Any organization providing products, services or licensing IP to a customer and having a contractual obligation to indemnify them.

These coverage options are hypothetical only, the nature and extent of your policy will depend on the specific circumstances of each case, which remains subject to all policy terms, conditions, limitations and exclusions.
